A librarian from the City of Poughkeepsie, Adriance Memorial Library visited both classes at the program center on October 1.

K-2 Class

She read 2 stories which engaged the students, introduced movement activity and, finally completed a craft with the children. The children were very enthusiastic and eagerly participated in all activities.

Grades 3-5 class

The children listened to a story about the origin of the snack, nachos and each student participated in making a model of a Rubik's Cube.

Reminders for Parents/Caregivers

- If your child doesn't attend school due to illness or for any other reason, please do NOT send them to Htasc.
- Your child should bring their homework to class each day
- If their homework is "remote" we have chrome books on hand to support homework completion. We just need your child's user name and password.
