## Celebrating Valentine's Day in K-2

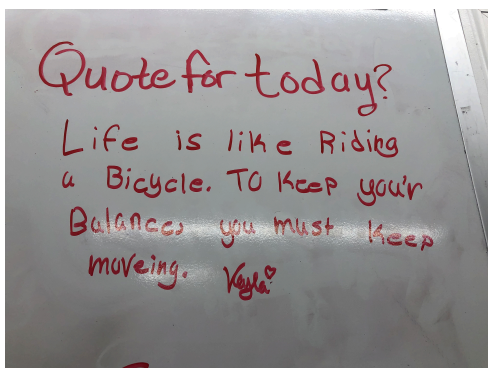

The K-2 students listened to books about friendship, and then they designed Valentine's Cards for their families. They also shared their ideas about "What Makes a Good Friend"?

## This Month H.T.A.S.C. Celebrates Black History Month

Students chose from a list to research information about a Black American who contributed major accomplishments to our country. Some of these individuals were Muhammed Ali, Thurgood Marshall, Sejourner Truth, Rosa Parks, Katherine Johnson, Bessie Coleman, and Medgar Evers. They gathered information using some pre-selected web sites and are now working on their final poster.

Each day in Gr.3-5 a student makes a suggestion for a quote of the day.

## FRIENDLY REMINDERS

- We are closed on Friday, March 11
- It's still chilly outside so make sure your child wears a hat, jacket and gloves.
- On any day that your child misses school they should not be at program
- Come and find out about our Summer Camp which begins in July. (Arts and Crafts, Field Trips and Indoor/Outdoor fun!)
