**Homework K-2**

**K-2 Problem Solving while Building**

- We still have some openings in Kindergarten - Second Grade. Please spread the word!
- Contact Mrs. S. for a registration form, 845-473-0141 OR just drop in during program hours (3:00 - 5:30). We'd love to meet you with or without your child
- We follow the Poughkeepsie City Schools Calendar.
- If your child does not go to school for any reason, (sickness, suspension, traveling) we respectfully request that you do not send them to program.
- We do provide a healthy snack and water for your child when they arrive. There's no need to send a snack.
